Understanding the Law of Faith

Definition of the Law of Faith

The Law of Faith, as articulated by Bishop David Oyedepo, is a spiritual principle rooted in the scriptures that govern how believers access and operate in the supernatural realm of God. It is a divine law that, when understood and applied correctly, guarantees believers victory in all areas of life—spiritually, physically, financially, and emotionally. In simple terms, the Law of Faith is the mechanism through which divine promises are activated and manifested in the believer's life. It is not just a religious concept but an unchangeable law that works universally for anyone who understands and applies it sincerely.

Biblical Foundation of the Law of Faith

Bishop Oyedepo emphasizes that the Law of Faith is biblically anchored, citing key scriptures such as:

1. Romans 3:27 – "Where is boasting then? It is excluded. By what law? Of works? Nay: but by the law of faith."
2. Romans 4:16 – "Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed..."
3. Mark 11:22-24 – "Have faith in God... whosoever shall say unto this mountain..."

These passages highlight that faith is a divine law that governs the believer's access to God's promises.

The Principles of the Law of Faith

Bishop Oyedepo teaches that the law of faith operates on certain fundamental principles that believers must understand and practice:

1. Faith Comes by Hearing the Word of God

- The primary source of faith is the Word of God. - Regularly feeding on God's Word builds and strengthens faith. - Scriptures such as Romans 10:17 affirm that faith comes by hearing, and hearing by the Word of God.

2. Faith Is Activated by Corresponding Actions

- Faith without works is dead (James 2:26). - Believers must act on what they believe. - Practical steps include speaking the Word, making confessions, and taking steps of obedience.

3. Faith Is a Spirit-Generated Force

- Faith is not just mental assent; it is a spiritual force that resides within the believer. - It is activated by the Holy Spirit and grows by continual use.

4. Faith Is Based on the Immutable Word of God

- The foundation of faith is God's unchanging Word. - Faith is confident trust in what God has promised and spoken.

His articulation of the "Law of Faith" is not merely theoretical but serves as a practical blueprint for spiritual and material success, rooted in biblical principles. This article aims to explore the concept comprehensively, examining its biblical foundation, practical applications, and the impact of Bishop Oyedepo's teachings on individuals and communities worldwide.

Understanding the 'Law of Faith' in Biblical Context

Defining the Law of Faith

The "Law of Faith" is a spiritual principle derived from the Bible, emphasizing that faith is the primary means through which believers access divine blessings, favor, and provisions. It posits that faith is not just a religious sentiment but a spiritual force that activates God's promises in the believer's life. Bishop Oyedepo's teachings distill this principle into a practical and accessible form, urging believers to understand faith as a legal and spiritual law that, when correctly engaged, guarantees divine results.

Biblical Foundations of the Law of Faith

The biblical foundation for the Law of Faith is rooted primarily in the writings of the Apostle Paul, particularly in the books of Romans, Galatians, and Hebrews. - Romans 3:27: "Where is boasting then? It is excluded. By what law? Of works? Nay: but by the law of faith." Here, Paul emphasizes that faith, not works, is the basis of salvation and divine blessings. - Romans 4:16: "Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed." This underscores faith as the channel through which God's promises are assured. - Galatians 3:11: "But that no man is justified by the law in the sight of God, it is evident: for, The just shall live by faith." This verse highlights that the believer's life and justification are sustained through faith. - Hebrews 11:1: "Now faith is the substance of things hoped for, the evidence of things not seen." This classic definition underscores faith as the foundation of the believer's spiritual reality. Bishop Oyedepo interprets these scriptures to mean that faith is a spiritual currency or law that, when properly engaged, guarantees divine results, similar to how physical laws operate in the natural realm.
